

LOTO Bag small

AN IDEAL SOLUTION FOR KEEPING EVERYTHING AT HAND AT ALL TIMES

The feather-light ABUS LOTO pouches in two sizes can be worn on the belt thanks to the loop on the back.

Compact and effective solutions are a good choice for use in construction projects or for the maintenance of machines deployed externally. This way, the safety locks and latches are always with you, quick to grab and tuck away again with the help of the practical 2-way zipper. We will be happy to advise you and help put together a LOTO kit that is a perfect fit for your needs.
