

Video Combination Cable 50 m

Art.-Nr. KA9002

Seite 1 von 2

Use the video combination cable to connect individual components to each other and ensure good data transmission. The two integrated wires for the power supply (2 x 0.75 mm²) supply the connected devices with power. The cable resistance is 75 ohms. The video combination cable is available in lengths of 50 m (KA9002), 100 m (KA9001) and 250 m (KA9000).

Technologies

- Combined cable for video image and power supply
- Coaxial cable with 75 ohms impedance
- Power cable 2 x 0.75 mm²

Technical data - Video Combination Cable 50 m

AC power supply	24 V
Application purpose	indoors
Cable length	50 m
Cable style	Combined video cable
Cores	RG59 + 2x 0,75 mm ²
DC power supply	12 V
Diameter	0.75 mm
Fire behavior	Eca
Housing material	PVC
Max. Operating temperature	70 °C
Min. operating temperature	-10 °C
Net weight	4.304 kg
Outside diameter	9.1 mm
PSTI conformity needed	No
