

# International Switching-Mode Power Supply 12 V/1.5 A (Cord)

Art.-Nr. AZZU10011

Seite 1 von 1

The international power adapters provided enable international use in Europe, the UK and Australia.

## Technologies

- Including adapters for EU, UK, AUS
- Output voltage 12 V DC at 1.5 A

## Technical data - International Switching-Mode Power Supply 12 V/1.5 A (Cord)

|                            |                                   |
|----------------------------|-----------------------------------|
| AC power supply            | 100 – 240 V                       |
| Cable length               | 1.5 m                             |
| Dimensions                 | (W x H x D) about 44 x 74 x 35 mm |
| Height                     | 74 mm                             |
| Housing material           | ABS                               |
| Input voltage AC           | 230 V                             |
| Length                     | 35 mm                             |
| Max. Air humidity          | 80 %                              |
| Max. Operating temperature | 40 °C                             |
| Min. operating temperature | 0 °C                              |
| Net weight                 | 0.153 kg                          |
| Output voltage DC          | 12 V                              |
| PSTI conformity needed     | No                                |
| Product group              | Accessories                       |
| Rated current              | 1,500 mA                          |
| WEEE group                 | 09                                |
| width                      | 44 mm                             |
