

HELMET BAG PROTECTS AGAINST SCRATCHES

Use a high-quality bag to ensure that your safety helmet remains undamaged.

This black bag is perfect for transporting and storing your helmet and reliably protects the helmet shell and visors from scratches and damage.

Our helmet protection bag allows you to handle your accessories carefully and treat them with care. The soft inner fleece of the bag offers your helmet extra gentle protection to keep it in perfect condition at all times.

By using our helmet protection bag, you actively contribute to the long life of your helmet and ensure that it will protect you reliably for a long time.
