THAT IS WHAT THE CHILDREN'S ACT WANTS:

When bathing, there must be plenty of splashing and spraying!

Attention, attention, wet and slippery! So that your bundle of joy doesn't slip in the heat of the bath battle, stick our bath tub stickers KIM in the bath tub. Or on the tiles. Or in the shower. Or as a maritime decoration on the wall! Because fish, frogs, penguins, starfish and seahorses are simply part of a proper water fight.
