

Magnet Fixing Set for Smoke Alarm Detectors

Art.-Nr. HSZU10000

Seite 1 von 1

The magnetic mounting set offers an ideal alternative for smoke alarm installation - without the need for screws and wall plugs. The set consists of a self-adhesive plate for mounting on the ceiling and a base element for mounting on the smoke alarm, with the two magnetic parts holding the detector securely in place. This means that quick, easy and tidy installation is possible, without having to drill holes or use additional tools.
