

# Junction Box incl. Long Wall Mount for PTZ Dome Cameras

Art.-Nr. TVAC31241

Seite 1 von 1

The wall bracket is an accessory for ABUS PTZ dome cameras and is used for secure, stable mounting of the dome cameras on the wall. For effective protection against inclement weather conditions, the camera's power supply unit can be mounted in the bracket itself. The bracket (TVAC31201) and the integrated power supply housing for weatherproof mounting are included in the scope of delivery.

## Technologies

- Compatible with IPCS84551, HDCC82501
- Easy installation of ABUS PTZ dome cameras
- Camera power supply unit can be mounted in the bracket to protect it from the weather
- Long wall bracket (310 mm) included in the scope of delivery
- For mounting on walls
