KeyGarage™ 797 BIG with shackle

FOR 38 KEYS OR 30 CARDS

Our KeyGarage™ 797 BIG with shackle and individually resettable number code is suitable for storing keys and cards.

Hiding keys under the doormat or flowerpot is a thing of the past. Because with our KeyGarage™ 797 BIG, your keys and cards can be stored conveniently and safely. Inside the strong metal housing, there is room for up to 38 keys and 30 plastic cards. Access is via a four-digit number code that is set via adjusting wheels. Thus, only authorised persons have access. This is particularly useful for frequently changing groups of people such as tradesmen, holiday guests, vehicle rentals, nursing staff and the like. With the shackle, you can hang this key box on the doorknob, for example. We recommend using the KeyGarage™ 797 BIG in protected outdoor areas.
