

# Analogue HD Dome 2 MPx (1080p, 2.8 - 12 mm)

Art.-Nr. HDCC72522

Seite 1 von 3

## Technical data - Analogue HD Dome 2 MPx (1080p, 2.8 - 12 mm)

|                                          |                                      |
|------------------------------------------|--------------------------------------|
| Aperture at minimum illumination (color) | F1.28                                |
| Application purpose                      | General surveillance                 |
| Article program                          | Professional                         |
| Audio                                    | Integrated: Microphone               |
| Backlight compensation                   | WDR, HLC, HLS                        |
| Camera outputs                           | 1 x BNC                              |
| Colour                                   | white                                |
| Compatible with ABUS Link Station        | No                                   |
| Compatible with Comfion                  | No                                   |
| Compatible with Secoris                  | No                                   |
| Compatible with Secvest                  | No                                   |
| Compatible with Smartvest                | No                                   |
| Compatible with wAppLoxx                 | No                                   |
| Compatible with wAppLoxx Pro             | No                                   |
| Connections                              | 1 x BNC (video), 1 x DC (5.5/2.1 mm) |
| Construction type of device              | Dome                                 |
| Current consumption                      | 620 mA                               |
| DC power supply                          | 12 (+/-25 %) V                       |
| Day/night switching                      | Electromechanical IR cut filter      |
| Diameter                                 | 121 mm                               |
| Dimensions                               | (DxH) 121x98 mm                      |
