

Solid lock body made from brass

Upgrade your security with the time-tested reliability of our Brass Padlock 65.

Crafted with precision, this padlock combines traditional craftsmanship with advanced technology to provide unbeatable protection.

The shackle of this padlock is constructed from hardened steel, adding an extra layer of security. To combat corrosion and enhance its longevity, the shackle is coated with our innovative NANO PROTECT™ technology. This coating not only protects against rust and wear but also ensures smooth and reliable operation every time you lock and unlock.

Choose the Brass Padlock 65 for a harmonious blend of tradition and technology. It's the ideal choice for securing your valuable possessions and maintaining peace of mind. Trust in its timeless design and cutting-edge protection to keep your belongings safe and sound
